Please note: This list was collated and distributed on behalf of the Paediatric Physiotherapy Council of BC. This is not an exhaustive list and inclusion on this list does not constitute endorsement of the skills of the individual or practice group. Please re-confirm with the College of Physical Therapists of BC that the therapist is registered to practice PT in BC. <http://www.cptbc.org/> ***please ensure to ask about rates (price) before booking appointments***

If any changes or additions are required for this list, please contact the council chair through: www.therapybc.ca under the Clinician tab.

For additional names of Physical Therapists working in private practice please visit: www.bcphysio.org "Find a physio" section and specify paediatrics
